Election publication for the STUDENT ELECTION in the summer semester 2023

CORRECTION: The election announcement of 8 May 2023 states that the election for the Fachgruppenvertretung Betriebswirtschaftslehre is a majority election with 5 votes. However, since a list proposal and an individual application have been received, according to §8(9) of the election regulations of the student body, it is a list election with 3 votes. In addition Business Administration is a B.Sc. and not a B.A. as stated. "List of approved election proposals for Business Administration" and "4. Fachgruppenvertretungen - body standing for election " have been amended accordingly.

0. Legal provisions
